

RIPE 90 Meeting Logistics

- Formed in 1989
- Community
- Open to all
- Information exchange
- Technical coordination
- Policy development

- Formed in 1992
- Membership organisation
- Run by RIPE NCC staff and the Executive Board elected by members
- Provides services
- Implements policies

Logistics

- **Meetecho** (main platform for both online and onsite attendees)
 - Requires meeting registration
 - Bookmark your unique login link, use it for all sessions, and you need it for polls!
 - Add questions in the Q&A window or using audio/video
 - Live transcription available
- **Livestream** page on the RIPE 90 website
 - Has the livestream only - no chat/interactive Q&A available
- **Recording:** The sessions and chat archives are published on the RIPE 90 website

**AudioVideo
Queue**

Request the floor to ask your question directly. Click the 'mic' or 'camera' icon to get in the queue. You will need to state your NAME and AFFILIATION out loud.

Q&A

Type your question in the Q&A window, along with your AFFILIATION. The question will be read out to the speaker.

Chat

Chat with the group or with individual participants.

Stenography

Available on Meetecho.

Your Badge Is Important

- Wear it at the event site
- Wear it to the social events - you need it to enter!
- And you can even use it to connect to the Wi-Fi
- Scan the QR codes for:
 - Onsite information
 - The meeting plan
 - Parallel events

RIPE 90

WiFi information:
Network (IPv6-mostly): ripemtg
Password: @ripemeeting

Photography and Yellow Lanyards

- If you prefer not to be photographed, you can ask for a yellow lanyard
- The photographer will do their best to avoid photographing you
- Please respect your fellow attendees' choice of lanyard
- Keep an eye out for the official RIPE 90 photographer and our social media manager

- The RIPE NCC General Meeting (GM) will take place from 14-16 May alongside RIPE 90
- The formal, members-only section of the GM will take place at 16:00 (UTC+1) on 14 May, both online and in-person
- Members can register to vote until 14:00 (UTC+1) on 14 May by going to the Registration Desk onsite at RIPE 90 or by [registering online](#)

ICP-2 Review: Where We Are Now

<https://www.nro.net/policy/internet-coordination-policy-2/rir-governance-document/>

- Provides transparency into how we manage our security, compliance and governance
- A comprehensive overview of how we protect the integrity of our services and remain compliant as an organisation
- Also provides useful links for law enforcement and other competent authorities

trust.ripe.net

Information Security

This section outlines the policies and the security controls and capabilities we use to ensure the security and integrity of our systems.

[Read more →](#)

Legal and Compliance

This section outlines our compliance with industry standards and applicable legislation.

[Read more →](#)

Law Enforcement and Competent Authorities

This section contains information for people working for law enforcement and other competent authorities. It links to relevant procedural information to help you understand how to request information from the RIPE NCC.
